Transition to Anesthesia
Anesthesia schedule is subject to rotation variability but this provides the likely rotations
Key:
SICU - VA Surgical ICU
PET - Preoperative Clinic
CMH - Community Memorial Hospital (community exposure)
ARIC - Anesthesia Res in Charge (Board-runner)
Vacations:
PGY1: 3 weeks
PGY2: 3 weeks with 5 Academic/Sick days
PGY3-5: 2 weeks on Pediatrics, 2 weeks on Anesthesia
- Vacations are very flexible to schedule on anesthesia but will have to be
